

What does it mean to trust God when the path ahead is unclear? This three-day devotional walks through the timeless words of Psalm 23, inviting you to encounter the Shepherd who leads, restores, and accompanies his people through every valley. Each day pairs careful exposition with guided reflection, honest prayer, and concrete steps of faithfulness. Whether you face uncertainty in work, relationships, health, or purpose, these pages will ground your trust in the God who has never abandoned his flock. Open these pages slowly. Let the Psalm speak before you respond. The Shepherd is already ahead of you.
